Dear Martin

**RADIOLOGICAL CONDITIONS UPON COMPLETION OF DECOMMISSIONING OF  
COUPLAND 1**

Following the extensive decommissioning of specified areas within Coupland 1, I am able to confirm that the radiological conditions within these remediated areas are such as to remove any radiological restrictions either on construction / maintenance work or future occupancy of the building.

Should you require further information on any aspect of the work, please do not hesitate to contact the undersigned.

Yours sincerely

**Andrew J. Frith BSc(Hons), MInstP, CPhys**  
**Principal Consultant Physicist / RPP**

E04003 COUPLAND 1  
PROJECT AREA:

MEZZANINE LEVEL

Architectural floor plan of the second floor of the building at 1000 Avenue of the Americas. The plan shows a large central hall with a staircase, several smaller rooms, and a large conference room on the right. The drawing is a black and white line drawing with some areas shaded with cross-hatching.
