

# Sustainability Squad

## Terms of Reference

- Coordinate and drive staff and student sustainability engagement efforts across campus to maximize behaviour change and educational impact.
- In support of the UOM Sustainability Strategy, establish a monthly sustainability theme that everyone supports, aligning with major UOM events or national days/weeks.
- Plan ahead and deliver events and social media content aligned with the agreed themes, either directly or through your influence, ensuring no duplication. To start October 2024.
- Promote the use of consistent branding and key messages for each monthly theme, where appropriate.
- Collate and share planned activities to improve communication with broader UOM communication channels.
- Share insights and feedback from activities to continually improve engagement levels and reach.

## Membership

We are seeking passionate individuals from across the entire campus to lead or influence the design and delivery of engagement events and/or social media content.

### **Requirements**

Attend a one off 3x hour workshop hosted by True North in June to design our monthly calendar of agreed sustainability themes and key messages.

Thereafter, attend monthly meetings to plan events for each theme, working at least 3 months out (frequency to be reviewed on an ongoing basis).
