Faculty/ School:

Research Theme:

Phd Start year		Current year	3
Award Amount		Overall Amount allocated	
Student Name			
Supervisor Name			
Student address:	Term Time:	Home address:	
Contact	Telephone number	Preferred Email address	
	Mobile	Alternative	
Thesis Title			
Outline how your work has progressed over the past year and highlight the developments you hope to achieve by the end of your research.			
How has your work/research had an impact upon the participants/patients/industry that you have been working with/in?			
What has the funding from the scholarship allowed you to achieve this year?			
Have you worked with others researching the same area/field? Give details.			
Has any of your work been published? Give details of			

any papers in journals etc.	
<p>How does your work/research benefit the wider community? Distinguish between Manchester and beyond, if possible.</p>	
<p>How will your work/research be applied to your area of investigation in the long term?</p>	
<p>In laymans terms, please provide an interesting fact(s)/statistic(s) from your research that encapsulates your work and could be understood by donors. (eg. <i>'Did you know that X% of people...'</i>)</p>	
<p>We would like to extend the portfolio of photographs beyond those to include images of you and to include the areas in which you work.</p>	
<p>As the third year theme is the impact of your research, we would like to take some photographs which demonstrate the impact of you and your work in the wider community. Please provide details of any external facilities (labs, meetings etc) that you are involved in.</p>	
<p>If there any queries/ concerns you feel we should be aware of in relation to your final year PhD studies, please give details</p>
