Important Extras

Ask an Ambassador!

Every morning during Welcome Week at 9:30am until 10:30am, we will be hosting an online 'Ask an Ambassador' session where you can ask our student ambassadors general questions about life at UoM. You can join the meeting here: <u>https://zoom.us/j/91635075052</u> and send in your questions in the Zoom chat.

We will try and answer as many questions as possible but if we don't know the answers, we will do our best to point you in the right direction.

This session may be particularly helpful to any students who, for whatever reason, are unable to make it to Manchester for Welcome Week.

SALC Essentials is a series of online courses covering Health & Safety, Academic Malpractice Awareness and Wellbeing & Diversity

These mandatory courses form part of your induction. You need to ensure you complete these courses before Friday 25 October 2024. You can find these courses in your <u>Blackboard homepage</u>. Please note that you can only access these courses once you are fully registered (you can register online <u>here</u>).

Course Unit Selection 'Drop-ins' will be held Monday to Friday from 16 September to 4 October at the Student Hub (next to the Lime Café on the lower ground floor of the Samuel Alexander Building). If you have any questions about course unit selection, drop-in and talk to the team. For more information on course unit selection, please visit: https://www.studentsupport.manchester.ac.uk/study-support/course-unit-selection/

SUSTAINABILITY CHALLENGE

The <u>Stellify Award</u> is a prestigious extra-curricular award that you can earn throughout your time at Manchester. You'll develop new skills, enhance your employability and make a valuable contribution to the world around you. Upon completion of the award, you will receive a certificate and your <u>Higher Education Achievement Report (HEAR)</u> will be updated to reflect your extra-curricular achievements.

Forming the core of the Stellify Award are the Ethical Grand Challenges. These interactive challenges allow you to explore the biggest global challenges - Sustainability (Yr 1), Social Justice (Year 2) and Workplace Ethics (Year 3+).

You will be automatically enrolled in the Sustainability Challenge. Find the Sustainability Challenge in the "My Communities" section of <u>Blackboard</u> (if you can't see the challenge, contact <u>egc@manchester.ac.uk</u> to request access).
