Have you attended an activity to prepare you for higher education?

Please select any activity you have taken part in to prepare for higher education. For example: national or regional schemes, university-run programmes, summer schools, campus days, taster courses, and booster courses. You can also use your personal statement to include more details about the activities you took part in, the skills you learned, and how this prepared you for higher education.

Note: Open days are not relevant to this question.

If you haven't attended any such activity, please leave this section blank.
