ACCOMMODATION

As soon as you have an offer to study at The University of Manchester, you can apply for accommodation using our online application form.

Register for an account using your University ID number (found on your offer letter) and a valid email address.

Follow the steps and select your five preferences of halls.

Applications are open now for students arriving in the second semester.

Use your login to revisit and check your application status.

Students arriving for the second semester are not guaranteed accommodation and therefore we advise to also consider exploring options in the private sector.
