Changes to Policy

1. Preliminary site visit

Change from:

"If it is decided that a preliminary visit is necessary it will normally be conducted by a senior member of the Faculty, such as the Associate Dean for Graduate Education, and a Collaborative Advisor from the Teaching, Learning and Assessment Office."

To:

"If it is decided that a preliminary visit is necessary it will normally be conducted by a senior member of the Faculty, such as the Associate Dean for Graduate Education, and a Collaborative Advisor from the Teaching, Learning and Assessment Office. The site visit should include a risk assessment incorporating a health and safety evaluation and ensure that suitable arrangements are in place for students to conduct research at the partner organisation."
