

Summary of changes to Presentation of Thesis Policy (November 2024)

The policy has been updated as follows:

- Updated to make it clear that PGRs are permitted to include their name in a native language / script alongside an English translation on the title page of their thesis.
- Updated to allow PGRs to include an AI declaration in the preliminary pages of their thesis (in line with UoM Library guidance on how to cite AI).
- Updated to allow PGRs to include a content notification. The document links out to a guidance document.
