

RAPID-RT: when should a change to radiotherapy be measured using rapid-learning? Focus Group Participant Consent Form

If you are happy to participate please complete and sign the consent form below.

Please initial box if you agree

1	I confirm that I have read the attached information sheet (Version , Date / /) for the above study and have had the opportunity to consider the information and ask questions and had these answered satisfactorily.	
2	I understand that my participation in the study is voluntary and that I am free to withdraw at any time without giving a reason and without detriment to myself. I understand that it will not be possible to remove my data from the project once it has been anonymised and forms part of the data set. I agree to take part on this basis.	
3	I agree to the focus groups being audio recorded.	
4	I agree that any data collected may be included in anonymous form in publications and in conference presentations.	
5	I agree that any research publications can include direct quotes of my responses in anonymous format.	
6	I understand that data collected during the study may be looked at by individuals from The University of Manchester or regulatory authorities, where it is relevant to my taking part in this research. I give permission for these individuals to have access to my data.	
7	I understand that my full name and email address will be passed to the University's Finance team for the sole purpose of sending me the shopping voucher.	
8	Optional: I may be contacted by the research team about taking part in future research activities as part of this study. I agree to my contact details being stored for this purpose. (record contact details below)	

9	Optional: I agree that the researchers may retain my contact details in order to provide me with a summary of the findings for this study. (record contact details below)	
10	I agree to take part in this study.	

If you have indicated that you are willing to be contacted about taking part in future research as part of this study, or you would like to receive a summary of the study results, please provide your contact details below:
