

Estates & Facilities raises money for BBC Children in Need

Pudsey's Patisserie returned to the Estates & Facilities Director's Office on Thursday, 14 November, to help raise money for BBC Children in Need.

Due to the efforts of a fantastic team of bakers, who put together a delicious range of cakes and treats, we were able to run this year's fundraising event. The sales from the cakes, alongside the raffle ticket sales, achieved a grand total of £434.06.

Thank you to everyone who baked, donated prizes, and bought cakes and raffle tickets to help make this year's Patisserie such a success.
