

PASS+ Workshops (yr1)

School of Biological Sciences
University of Manchester

➤ What are they?

Two workshops delivered by staff specially aimed to first year students who feel underperformed in the January exams. The workshops will include exam technique guidance, study skills tips and techniques to prepare you for the summer exams.

➤ Programme:

- **Workshop 1:** MCQ technique and student support guidance. There will be an opportunity for students to talk to staff members after this workshop (12-13h, 1st floor Stopford Common room)
- **Workshop 2:** Study skills (e.g. note taking, revision planning, effective reading).

➤ When and where?

- **Workshop 1** (week 9): Thursday 27th March 2025, 11-12h, Stopford Theatre 1
- **Workshop 2** (week 10): Thursday 3rd April 2025, 10-11am, Simon Theatre C
