

PASS+ Workshops (yrs 2 & 3)

School of Biological Sciences
University of Manchester

➤ What are they?

Two workshops delivered by staff specially designed for second and third year students who feel underperformed in the January exams. The workshops will include exam technique guidance, study skills tips and techniques to prepare you for the summer exams.

➤ Programme:

- **Workshop 1:** Exam technique and student support guidance. There will be an opportunity for students to talk to staff members after this workshop (2-3pm, 1st floor Stopford Common room).
- **Workshop 2:** Study skills (e.g. note taking, revision planning, critical thinking).

➤ When and where?

- **Workshop 1** (week 9): Thursday 27th March 2025, 1-2pm, Stopford Theatre 6
- **Workshop 2** (week 10): Tuesday 1st April 2025, 2-3pm, Stopford Theatre 6
