

Higher CAS Deposit Payment Instructions

Following a small number of cases of attempted fraud from applicants domiciled in specific countries, the University will be implementing a higher CAS deposit amount for some offer holders.

CAS Deposits should only be paid once your application is at Unconditional Firm and you have received a notification advising you to make a payment.

If you have not yet paid any deposit

1. After logging in to the My Manchester pre-payment site using the link provided in your CAS payment communication, select **CAS deposit** under **Payment type** and click **Next**.

up to 5 days. There is no need to make the payment again; please check back at a later time.
