| | |
|---------------|---|
| Week 1 | My academic writing Learn different ways to express your voice as an academic writer within your field. |
| Week 2 | The writing process Explore the step-by-step process of writing an assignment and learn techniques for analysing your assignment titles. |
| Week 3 | Reading into writing Use academic reading strategies to identify key information and practise synthesising it into your own writing. |
| Week 4 | Building an effective argument and supporting it with the literature Look at features of effective argumentation and learn how to present a well-structured argument. |
