WELCOME WEEK TIMETABLE

MSc Model-based Drug Development

Academic Year: 2026-27

Monday 21st – Friday 25th September 2026

Welcome to your studies at the University of Manchester!

This document contains details of all the activities which have been organised to introduce you to our course and the campus. Different sessions are planned on each day. Make sure you attend these sessions so that you are ready to start the course. **Please pay attention to the study cohort (i.e. on campus, e-blended, full time).**

Semester 1 teaching starts in the week beginning 28th September. Make sure you have accessed your timetable in advance and are aware of all of your sessions for this week.

You can use the following link to the campus map to help you find each session by its building number.
