

Join us in creating a more inclusive and supportive workplace for everyone, including our neurodivergent colleagues.

We invite all employees to take part in the NDEI® Employee Inclusion Survey. Your input will directly impact our NDEI® score.

Why participate?

- ✓ **Support neurodiversity:** Help us understand and improve how we support neurodivergent employees.
- ✓ **Confidential and anonymous:** Your responses are anonymous, and every question has a “no answer” option.
- ✓ **Everyone counts:** This survey is for all employees, even those who haven't disclosed their neurodivergence or are unaware of it.

It only takes 10 minutes to complete!
