

BSc Dental Hygiene and Therapy

Induction Timetable 2025

The purpose of this timetable is to outline what you can expect in your first week. When you get started you will access a live online personalised timetable on [MyManchester](#) which should be your single point of reference. **This timetable may not cover all your teaching sessions for this week, so please ensure you check your timetable online.**

We also recommend checking out the [main University events](#) – there are campus tours, city tours, silent discos, sports fairs, even a Vintage Folk clothing sale! There really is something for everyone!
