ADMISSIONS

Conditional Offers

Submit evidence of meeting your academic and English language conditions as soon as possible to ensure you don't miss any important communications.

International applicants

Use the exact information in your offer letter to apply for ATAS. Submit your ATAS certificate as soon as possible for verification.

CAS

Cannot be processed until you have accepted an unconditional offer and completed Right to Study.

Joining instructions: Sent over the summer (July/August).

Registration: NOW OPEN

Welcome Week: Starts 22nd September.

INTERNATIONAL STUDENT SUPPORT

ATAS

Apply as soon as possible
as applications are taking
at least 30 days or longer
– ensure information
matches offer letter

Right to Study Check

Complete RTS form and
upload scan of your passport
through self-service so your
CAS can be issued. Check draft
CAS is correct – it will be
emailed to you by your school.

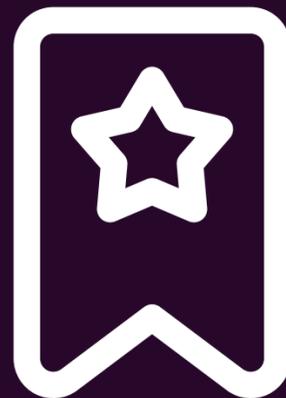

STUDENT VISA APPLICATIONS

Standard applications can take 3 weeks to be processed so apply as soon as you receive your CAS number

Can pay extra for priority services through Visa Application Centre

Ensure you have held the correct level of funds for your tuition fees and living expenses in your bank account for 28 days if you are self-funded

Obtain TB certificate from approved test centre if required
