THE AFFIRMATION

"I affirm that I will:

- make the care of my patients my first concern;
- treat every patient politely and considerately;
- respect patients' dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice my patients' care;
- act quickly to protect my patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position ;
- work with colleagues in the ways that best serve patients' interests.
- In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply: "I so affirm".

THE AFFIRMATION

- "I affirm that I will:
- make the care of my patients my first concern;
 - treat every patient politely and considerately;
 - respect patients' dignity and privacy;
 - listen to patients and respect their views;
 - give patients information in a way they can understand;
 - respect the right of patients to be fully involved in decisions about their care;
 - keep my professional knowledge and skills up to date;
 - recognise the limits of my professional competence;
 - be honest and trustworthy;
 - respect and protect confidential information;
 - make sure my personal beliefs do not prejudice my patients' care;
 - act quickly to protect my patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
 - avoid abuse of my position ;
 - work with colleagues in the ways that best serve patients' interests.
- In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply:"I so affirm".
