

STUDENT DESIGN WORKSHOP

The Canvas project team welcomed 45 students to a workshop on Tuesday 11 November 2025 to gather their views on Canvas following the launch across the University.

Undergraduate, postgraduate, new and returning students from a range of Schools attended the workshop to feedback on their Canvas experience and provide suggestions for improvement.

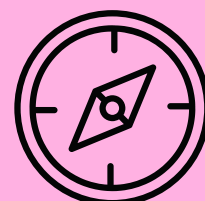

How do you rate your overall experience of Canvas?

Students gave Canvas an overall experience rating of **4 out of 5**

62%

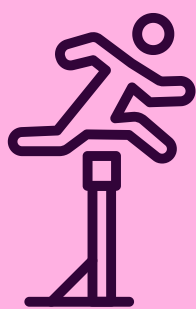

said it's easy to navigate Canvas

82%

said it's easy to find the courses on which they're enrolled

What do we need to improve?

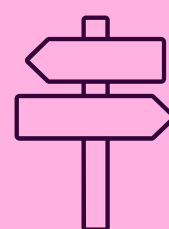

- Some navigation challenges need addressing
- Minor assignment submission and DASS extension issues
- Information overload or scattered resources

How are your student support resources?

61%

knew about some or all support resources before the workshop

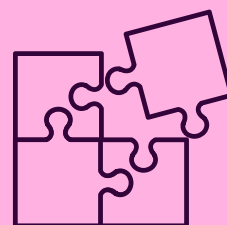

48%

found the Canvas support resources useful

What additional resources do you want to see?

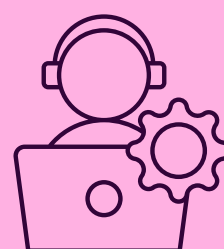

- Integration with platforms (such as Google Scholar)
- Built-in support button or chatbot for easier help
- More visibility and advertising for support resources
- Tools for plagiarism checking (e.g., Turnitin plugin)

How did you find Canvas help and support?

69%

said they had the support required to get started with Canvas

71%

said they know how to access help and support if needed

This feedback will be used to make improvements to Canvas navigation, course organisation, standardisation and support visibility.
