

## **Black Leadership Programme 2026/27 Research Evaluation Study**

As the academic advisor of a UoM student participating in the Black Leadership Programme (BLP), you are invited to support our evaluation of the programme. This research will help the University understand the impact of BLP for Black Heritage students during their time at the University and if it has helped improve their academic and personal success. This programme is run by the University of Manchester (UoM) Access and Student Success Team.

As part of the programme, you will be asked to complete two surveys (December 2026 and November 2027). If you consent, your responses and personal data will be analysed to evaluate the impact of the programme. Your data will be kept completely confidential. For more information on the research and what we do with your data, you can find the participant information and privacy notice below:
