

Help students become better doctors: Volunteer for medical student exams

- We're looking for real people to take part in clinical exams for medical students.
- No experience needed
- **Half or full-day sessions**
- **Support and reimbursement provided**

We are particularly looking for volunteers with the following conditions:

- Skin conditions (e.g. eczema, psoriasis, seborrhoeic wart)
- Neck lump (e.g. enlarged thyroid)
- Parkinson's disease
- Stroke
- Kyphosis or scoliosis
- Axial spondyloarthritis/ ankylosing spondylitis
- Osteoarthritis (involvement of hands, knees, feet, elbows, shoulders, hips)
- Psoriatic arthritis (hand or foot involvement)
- Rheumatoid arthritis (hand or foot involvement)
- Joint replacement
- Nerve damage to the hands or feet (peripheral neuropathy)
- Valvular heart conditions (e.g. aortic stenosis)
- Irregular heart rate (Atrial fibrillation/Arrhythmia)
- Circulation problems in the legs (peripheral vascular disease)
- Pulmonary fibrosis
- COPD
