

Estates raises funds for BBC Children in Need

On 13 November, we proudly opened our doors in support of BBC Children in Need. We were delighted to reopen our annual **Pudsey's Patisserie** for our colleagues, offering delicious cakes and raffle tickets.

Thanks to the generosity across our team, we raised an incredible £387.50 in cash donations. This amount doesn't even include any donations made via the Children in Need QR code.

To everyone who participated, whether by baking, contributing raffle prizes, or donating cash, your efforts have made this event another fantastic success – and go a long way in supporting disadvantaged children across the country.
