

Example of good practice

1. Line Manager Skills Package

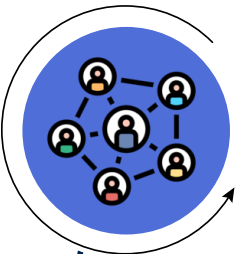

Training gaps identified for line managers

- suicide prevention training,
- awareness of the resources available
- what to do in the event of an incident.

2. Wellbeing team involvement

Health and Wellbeing team providing wrap around support for the team

3. Cases are reported at Board Level

Health and wellbeing team inform the trust board

Implementing training and a line of communication ensures that managers and teams are supported following the death of a colleague
