

A WEEK IN THE LIFE: BA CULTURAL, CREATIVE AND MEDIA INDUSTRIES

ELIZABETH

Hi, my name is Elizabeth and I'm a first year Cultural and Creative Industries at UoM! I'm really enjoying my course so far and experiencing university life. Digital Culture has been my favourite module as I've found it really interesting to explore how digital technologies are shaping the modern world. My course is all coursework-based, so I have been learning how to manage my self-directed learning, alongside preparing for my coursework assessments. I was born in Manchester, and grew up just down the road from UoM, so choosing to study here was an easy choice. I like the fact I have the opportunity to access some of the world's best research facilities, alongside a diverse range of subjects. Manchester is such an amazing city to live and study in. I love exploring the city centre, making the most of the wonderful green spaces in our city as well as the bars and pubs we have on our doorstep.
