

Tell us how you commute to work – and you could win £50!

We'd love to hear about your commute. Whether you walk, wheel, cycle, drive, or hop on the bus or train, your feedback will help the University make staff travel easier, more convenient, more sustainable, and more enjoyable.

We're keen to know:

- What's working well (and what could be better)
- How we can better support active travel like walking, wheeling, or cycling
- How public transport could be made more accessible, affordable, or just plain easier

Your responses will also help us measure carbon emissions from commuting, which play a role in the University's overall carbon footprint. The small choices we all make each day - how we travel, how often, and by what mode - really do add up.

Win a £50 Love2Shop voucher

As a thank you, everyone who completes the survey has the option to be entered into a prize draw to win one of 10 £50 vouchers (£500 total).

Catch us on campus

Fancy a chat or need a hand filling in the survey? Come along to the Active Commuter Fair on 23 April, 11am–2pm at University Place Square. We'll also be popping up at other staff locations across campus throughout May.

Have your say

It only takes a few minutes, and your input will directly shape how the University supports staff travel.
