Egypt– Undergraduate Scholarships

    - A Levels

28. The award is granted for up to three years dependent on achieving overall marks of at least 60% in exams each year. We will only consider marks from the first sitting (resit marks cannot be used as a contribution towards the overall grade). If you have mitigating circumstances around your exam results, as approved by The University, inform us of these directly.
29. Where students register for a course with a Year in Industry, the award will be applied to Years One, Two and Four.
