Week 1	Individual presentations 1 Examine strategies to create strong introductions that will engage your audience immediately and use techniques and language for presenting with slides.
Week 2	Individual presentations 2 Summarise a part of an article about sociology of work and create a slide presenting its key information.
Week 3	Group presentations 1 Explore language used to describe processes, and then plan a walk around Manchester before presenting it in groups with effective transitions between speakers.
Week 4	Group presentations 2 Examine language for discussing problems and solutions, and also for dealing with questions, then prepare and deliver a group presentation on an important global issue.
