programme/](https://manchester.ac.uk/academicsuccessprogramme/)

Week 1	My academic writing Learn different ways to express your voice as an academic writer within your field.
Week 2	The writing process Explore the step-by-step process of writing an assignment and learn techniques for analysing your assignment titles.
Week 3	Reading into writing Use academic reading strategies to identify key information and practise synthesising it into your own writing.
Week 4	Building an effective argument and supporting it with the literature Look at features of effective argumentation and learn how to present a well-structured argument.
