

Personal Statement

Please provide a brief (500 words max) autobiographical statement to help us form a more complete impression of you. We would like to know your reasons for wanting to study in Britain generally and at The University of Manchester in particular. You should also tell us a little about your interests, hobbies and life outside of your academic study, such as relevant professional experience, non-academic achievements, careers aspirations etc. Tell us why Manchester is a good destination for you, and whether there are aspects of study here that are unavailable at your home university. Please also use this form to tell us if there are any reasons why your grades in a particular semester are not as strong as you would have expected.

Two additional pieces of information are also required on this form – courses you are currently studying which do not appear on your transcript; and other universities to which you are applying to study abroad (if applicable).
